

The Shuman Law Firm Announces the Filing of a Class Action Lawsuit Against Kohlberg Capital Corporation

BOULDER, CO Feb. 16, 2010 - *Advertising Material* – The Shuman Law Firm today announced that a class action lawsuit has been commenced in the United States District Court for the Central District of California on behalf of a class consisting of all persons or entities who purchased the securities of Kohlberg Capital Corporation (“Kohlberg” or the “Company”) (Nasdaq: KCAP) between March 16, 2009 and December 24, 2009, inclusive (the “Class Period”).

If you wish to discuss this action or have any questions concerning this notice or your rights and interests with respect to this matter, please contact Kip B. Shuman or Rusty E. Glenn toll free at (866) 974-8626 or email Mr. Shuman at kip@shumanlawfirm.com or Mr. Glenn at rusty@shumanlawfirm.com.

The Complaint charges Kohlberg and certain of the Company’s executive officers and/or directors with violations of federal securities laws. Kohlberg is an investment company which originates, structures, finances and manages a portfolio of term loans, mezzanine investments and selected equity securities in middle market companies. The Complaint alleges that throughout the Class Period defendants knew or recklessly disregarded that their public statements concerning Kohlberg’s operations and financial performance were materially false and misleading. Specifically, plaintiff alleges the Company reported inflated earnings that violated Generally Accepted Accounting Principles (“GAAP”) by failing to properly account for the fair value of its investment portfolio under FASB Statement of Financial Accounting Standards No. 157 - Fair Value Measurements.

If you purchased Kohlberg common stock between March 16, 2009 and December 24, 2009, you may request that the Court appoint you as lead plaintiff of the Class no later than March 1, 2010. A lead plaintiff is a class member that acts on behalf of other class members in directing the litigation. Although your ability to share in any recovery is not affected by the decision whether or not to seek appointment as a lead plaintiff, lead plaintiffs make important decisions which could affect the overall recovery for class members.
