

The Shuman Law Firm Investigates Talecris Biotherapeutics Holdings Corp.

BOULDER, CO June 18, 2010 – *Advertising Material* – The Shuman Law Firm today announced that it is investigating potential claims against the board of directors of Talecris Biotherapeutics Holdings Corp. (“Talecris” or the “Company”) (NASDAQ:TLCR) related to the Company’s agreement to be acquired by Grifols, S.A. (“Grifols”). The proposed cash-and-stock transaction is valued at approximately \$3.4 billion.

Under the terms of the proposed merger agreement, Grifols will acquire all of the common stock of Talecris for \$19.00 in cash and 0.641 newly issued non-voting Grifols' shares for each Talecris share. The deal values each Talecris share at approximately \$26.16, based on the closing price of Grifols' ordinary shares as of June 4, 2010 and prevailing Euro-Dollar exchange rates. The proposed transaction is expected to be completed in the second half of 2010. In connection with the offer, the leading shareholders of Grifols have agreed to vote their shares in favor of the transaction, and an affiliate of Cerberus Capital Management, L.P., which owns approximately 49% of the outstanding Talecris common stock, has entered a similar agreement. The investigation concerns possible breaches of fiduciary duty and other violations of law related to approval of the transaction by Talecris’ board of directors.
