Summary

On December 29, 2020, Acer Therapeutics, Inc. (“Acer” or the “Company”), in its capacity as a nominal defendant, entered into a Stipulation of Settlement (the “Stipulation”) in the above-captioned shareholder derivative action filed derivatively on behalf of Acer, in the United States District Court for the District of Massachusetts (the “Court”) against certain current and former directors and officers of the Company and against the Company as a nominal defendant (the “Massachusetts Action”)². The proposed Settlement requires the Company to adopt certain additional corporate governance measures and procedures, as outlined in Exhibit A to the Stipulation, and provides that the filing, prosecution, and resolution of the Actions were a consideration in the Company’s implementation of the corporate governance reforms. In exchange,
